The Annual Research Conference organized by the Faculty of Pharmaceutical Sciences, Chulalongkorn University has been initiated since 1982 and has traditionally been included as part of the Faculty's annual events. This annual event has become a well recognized and the expected research event among the nation pharmaceutical researchers. It has been arranged annually in December. The purpose of the conference is for researchers in every pharmaceutical sector and field of interest across all regions of Thailand to share their current research pieces with their peers. With the increase in the number of interested researchers and research papers, the format of this conference has been changed from all podium presentations in the past to a few invited speakers and poster presentations. All of the accepted abstracts will be published in the special issue of the Thai Journal of Pharmaceutical Sciences distributed to every participant. This annual event is intended to update research community on contemporary research issues as well as research advances. The content of the conference is therefore tailored according to the research milieu.

RATCHABURI

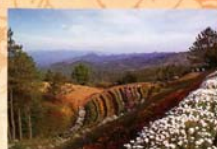

Preface

Since 1997, the Nagai Foundation has kindly made this annual event more meaningful by supporting conference an award to the outstanding research paper. This year the Faculty of Pharmaceutical Science has also granted awards for best poster presentations in 5 research fields including pharmaceutical technology, pharmaceutical chemistry and natural products, biopharmaceutical sciences, pharmacy practice, and social and administrative pharmacy.

The 23rd annual research conference has been planned as a special international research event by the collaboration between the Faculty of Pharmaceutical Sciences, Chulalongkorn University and the Japan Society for the Promotion of Society (JSPS) Asia/Africa Science Platform Program coordinated by Meiji Pharmaceutical University (MPU). Expected international participants are exchanged researchers supported mainly by JSPS Science Platform Program, and partly by MPU special grant. This first joint seminar is aimed to promote the communication of cooperated research outcomes and the research network activity together with the depth of research studies. In addition, it allows young scientists to meet established medicinal chemists and to have stimulating discussions.

Schedule for the Joint Seminar

Thursday December 14, 2006

- 08.00 Registration
- 09.00 Opening Ceremony
 - **Opening Remark** By Associate Professor Pornpen Pramyothin, Ph.D.
 Dean, Faculty of Pharmaceutical Sciences, Chulalongkorn University
 - **Welcoming Speech** By Professor Charas Suwanwela, M.D., University Council President, Chulalongkorn University
- 09.15 Opening Lecture:
MPU-AA Medicinal Research Center for Drug Discovery: Contribution Developing Collaborative Research in the Creation of Some Novel Medicines
 By Professor Akinori Kubo, Ph.D., President, Meiji Pharmaceutical University (MPU), Japan
- 09.45 BREAK
- Plenary Lectures Chair: Professor Naoki Saito, Ph.D., MPU
 Assistant Professor Chamnan Patarapanich, Ph.D., CU
- 10.15 PL 1: **Contributions of Snake Venom Proteins to the Studies of Coagulation Factors and Vascular Endothelial Growth Factors (VEGFs)**
 By Professor Takashi Morita, Ph.D., MPU
- 11.00 PL 2: **Syntheses, Biological Evaluations, and Molecular Modeling of Lamellarins and Related Compounds**
 By Poonsakdi Ploypradith, Ph.D., Chulabhorn Research Institute (CRI)
- 11.45 LUNCH/POSTER PRESENTATION
- NAGAI AWARD PRESENTATION
- 13.00 Nagai Award Thailand Lecture 1 and Lecture 2
- 14.00 Nagai Award Ceremony
- 14.15 BREAK
- Lectures 1 Chair: Professor Takashi Morita, Ph.D., MPU
 Associate Professor Mayuree Tantisira, Ph.D., CU
- 14.40 L1: Multipotent Neural Stem Cells as a Vascular Progenitor of Cerebral Blood Vessels
 By Associate Professor Kazuhiko Oishi, Ph.D., MPU
- 15.00 L2: Embryonic stem cells: Prospects for Drug Discovery By Associate Professor Duangdeun Meksuriyen, Ph.D., CU

Thi Lo Le Waterfall, TAK

Pha Taem, UBON RATCHATHANI

Songkran Festival, CHIANG MAI

Thursday December 14, 2006

- Lectures 1** **Chair:** Professor Takashi Morita, Ph.D., MPU
 Associate Professor Mayuree Tantisira, Ph.D., CU
- 15.20 L3:** **Virulence Factors of Pathogenic Fungi and a Strategy of Development Novel Antifungal Agents**
 By Associate Professor Takashi Sugita, Ph.D., MPU
- 15.40 L4:** **Anticoagulants from Snake Venoms**
 By Professor Kini R. Manjunatha, Ph.D., National University of Singapore
- 16.00 L5:** **Strong Myonecrotic Activity of Trimeresurus malabaricus Venom: Role of Metalloproteases.**
 By Professor Bannikuppe Vishwanath, Ph.D., University of Mysore, India
- 17.30-20.30** **BANQUETS**

Friday December 15, 2006

- 8:00** **Registration**
- Plenary Lecture** **Chair:** Assistant Professor Rungpetch Sakulbumrungsil, Ph.D., CU
- 9.00 PL3:** **Future of Pharmacy Education: Influence on Pharmaceutical Research**
 By Professor Pavich Tongroach, Ph.D.
- 10:00** **COFFEE BREAK**
- Lectures 2** **Chair:** Khanit Suwanborirux, Ph.D., CU
 Kazuhiko Oishi, Ph.D., MPU
- 10:20 L6:** **Chemistry of Isoquinoline Marine Natural Products Possessing Antitumor Activities in the Subtropical Zone**
 By Professor Naoki Saito, Ph.D., MPU
- 10.40 L7:** **Phytochemical Studies on Identification, Isolation, and Characterization of 1-Epicatechin from Herbal Anti-diabetic Plants**
 By Sharma Anil Kumar, Ph.D., Aimil Pharmaceuticals Ltd., India
- 11.00 L8:** **Development for Research of Anti-angiogenic Compounds from Fungi**
 By Associate Professor Kiyotaka Koyama, Ph.D., MPU
- 11.20 L9:** **Molecular Diversity of Indonesian Moeaceous Plants**
 By Professor Euis Holisotan Hakim, Ph.D., Institut Teknologi Bandung, Indonesia
- 11.40 L10:** **Molecular Taxonomy for Alkaloid and Bioactivity Profiling of Philippine Pandanus**
 By Professor Maribel G. Nonato, Ph.D., University of Santo Tomas, Philippines
- 12.00** **LUNCH**
- 13.00** **POSTER AWARDS**
- 14:00 - 16:00** **POSTER SESSION**

Continuing Education Units

Continuing Education credits shall be awarded to interested delegates by the Pharmacy Council, Thailand. (CPE 7.9 credits)

Phi Ta Khon, LOEI

Thai silk

Thai orchids

Abstract Submission Information

Instruction for Abstraction Submission

The author(s) should convert the abstract text to a PDF file and please send your abstract to our organizing committee email at rungpetch.C@chula.ac.th as an e-mail attachment. Please also indicate the following information in your mail:

- Name and affiliation of presenting author
- Contact information of presenting author (street address, phone&fax numbers and email address)
- Title of abstract
- Keywords
- Type of research
- Type of presentation (oral vs poster vs no preference)

Abstract preparation

Each abstract should be typed in Microsoft-word and printed on A4 paper (margins of 2.5, 3.5, 2.5, and 2.5 cm from left, top, bottom, and right, respectively) with a laser or letter-quality printer. Text should be one and a half-spaced, and double-spaced between sections (Background, objective, method, Result, Conclusion, and Reference). The authors can include a Figure, Chart, and/or Table in the text *but the total printing page should be within one page.*

PS: Panels of 80 cm x 120 cm portrait orientation will be available for poster presentations.

Typeface: Use "Times New Roman, Times Roma, or Time" 10 points.

Title: Title must be all capital and bold, centered and single-spaced if more than one line is required. The title should be brief, descriptive and all words spelled out. The presenting author name should be underlined. Author list must be separated by single-spaced if more than one line is required. Each first letter of author address(es) must be capitalized. The title, author name, and author address should be separated by one and a half spaces. The title section is double spacing before the text section.

How does the text come out?: The text will be printed as it is by offset. This means that the author(s) should have responsibility for any typographical and/or grammatical errors in the text.

Deadline: The abstract PDF file should be submitted by October 20, 2006.

Committees

Chairpersons:

Pornpen Pramyothin, Ph.D.
Takashi Morita, Ph.D.

Dean, Faculty of Pharmaceutical Sciences, CU
Head Coordinator, Center for Drug Discovery, MPU

Secretary General:

Rungpetch Sakulbumrungsil, Ph.D.
Naoki Saito, Ph.D.
Khanit Suwanborirux, Ph.D.

Faculty of Pharmaceutical Sciences, CU
Vice Head Coordinator, Center for Drug Discovery, MPU
Faculty of Pharmaceutical Sciences, CU

Organized by:

Faculty of Pharmaceutical Sciences, Chulalongkorn University
Asia/Africa Center for Drug Discovery, Meiji Pharmaceutical University
Japan Society for the Promotion of Science

Contact Details:

All inquires and correspondence in relation to the conference should be directed to:

Continuing Education Unit, Faculty of Pharmaceutical Sciences,
Chulalongkorn University
Phayathai Road, Phatumwan, Bangkok, 10330, Thailand

Phone: (66)2-218-8261, (66)2-218-8283

Fax: (66)2-251-5086
